

President's Award

New to 2019 is the South Carolina State Association of Fire Chiefs **President's Award** which is set aside to honor an individual who has contributed to the South Carolina State Association of Fire Chiefs in a significant way during the sitting President's term. This award may be bestowed upon any South Carolina State Association of Fire Chiefs member whom the President deems to have served the Association, its membership of the Executive Committee in an outstanding way, or who has gone above and beyond in noteworthy way. The recipient may be career or volunteer or both.

If given, the sitting President will elaborate on how the recipient has met the criteria for the award.
